CRB Project #: _____

**CITRUS RESEARCH BOARD
PROJECT PLAN – RESEARCH GRANT PROPOSAL FOR FY 2016-2017**

Year ____ of ____
(E.g. Year 1 of 3)

Proposal Title:

Principal Investigator (PI): _____

Affiliation: _____ Estimated Annual Budget: _____

Email Address: _____ Estimated Duration (Years): _____

Phone: _____ Address: _____

Co PIs/Collaborators:

Name:	Affiliation:	Email Address:	Phone:
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

Contact Information for your Contracts Office:

Name:	Affiliation:	Email Address:	Phone:
_____	_____	_____	_____

Contact Information for your Finance Office:

Name:	Affiliation:	Email Address:	Phone:
_____	_____	_____	_____

PI: _____
CRB Project #: _____

Who may we contact, outside this project, for further information about this type of research?

Name: _____ Affiliation: _____ Email Address: _____ Phone: _____

Addresses CRB Research Priority: (example: 5300) _____

Impact Statement: (limited to space provided)

Executive Summary: (limited to space provided– suggest bullet point format)

PI: _____
CRB Project #: _____

Background Information/Relevant Literature: (limited to space provided – please list your relevant peer-reviewed publications on a separate sheet)

Pertinent Questions:

- 1. Who will be the end user?**

- 2. How will growers benefit from your results?**

- 3. Will this research result in a product that will require commercialization or further development by some other entity? If so, please describe.**

Complete the Gantt chart to identify expected timelines for each project objective and task. Download the Gantt Chart Template from the CRB website. Include as a separate file with your grant proposal form. Save with filename: PI last name Gantt 2016. Use this template for both your grant proposal and power point presentation.
